# KIDS WORLD INTEGRATED PROGRAM FOR 2021-2022

---

With special section of Transition Curriculum for Students with Special Needs

- Covid 19 has resulted in rethinking of education, not only in the Philippines, but world-wide. After the pandemic, we have to learn from the experience and move forward.
- One thing is certain, the digital age has been fast forwarded.
- What will the education landscape be like?
- **We will return to campus teaching when the situation allows it, but**
- **Online learning will continue to be an alternative for parents who opt to do so at Kids World Integrated School.**
